

# Ketting:

De overbrenging  
tussen kracht  
en snelheid.

Het smeermiddel  
tussen gaan  
en niet gaan.

De energie  
vervormd naar  
vooruitgang.

De ketting.

IJzersterk,  
vernuftig, verfijnd

# The Chain - Fleetwood Mac

Listen to the wind blow...  
Watch the sunrise;  
Runnin' in the shadows...  
Damn your love, damn your lies!

And if you don't love me now  
You will never love me again;  
I can still hear you saying  
You would never break the chain.

And if you don't love me now  
You will never love me again;  
I can still hear you saying  
We must never break the chain.

Listen to the wind blow...  
Down the comes the night.  
Runnin' in the shadows...  
Damn your love, damn your lies!  
Break the silence,  
Damn the dark, damn the light!

And if you don't love me now  
You will never love me again;  
I can still hear you saying  
We would never break the chain.

And if you don't love me now  
You will never love me again;  
I can still hear you saying  
We must never break the chain.

And if you don't love me now  
You will never love me again;  
I can still hear you saying  
We must never break the chain.

Chain.....keep us together....
