

Waarden:

Hele dagen malen
op de pedalen
en in de kop.

*Om de anderhalve zin vielen ze,
de begrippen 'onze manier van
leven', 'onze waarden', 'onze
vrijheden'*

Over normen
in het leven
en op het werk.

*Zelfbeschikking houdt ook het
recht in asociaal te zijn, frank en
vrij en hufterig*

Dan als bliksem
tijdens heldere hemel
werd alles duidelijk.

column (Sitalsing, 2015):

*Waar het idee vandaan komt dat de
waarden van 'ons' zijn, is een raadsel.*

Geniet van het leven
want het duurt
maar even.

Dus beleef onze waarden
van geven en nemen
blijmoedig en overtuigd.

Naast bewegen geloven we
in alcohol drinken
zelfs 'en groupe' op de bierfiets.

"Grab A Beer" - DIERKS BENTLEY

If it's five o'clock and you're ready to rock, you grab a beer
If the week's been long then your hand belongs a cold beer
If you're at the game, buddy who can blame you, grab a beer
If you're out on your boat grab a fishing pole and some beer
Come on

It's on, pop that top, I like it ice cold, I drop it if it's hot
From New York City down to Little Rock, I said everybody grab a beer
Let's dance, I'm ready to play cause nothing feels better at the end of the day
The East Coast baby all the way to LA, I said everybody grab a beer
Grab a beer, come on

Well, if you're at the bar, many you know where you are, you grab a beer
And if you meet a girl better make it plural, grab two beers
And if she ain't that hot and they're all out of shots, grab a beer
And if she wants to be bad buddy grab a cab and some beers
Alright

It's on, pop that top, I like it ice cold, I drop it if it's hot
From New York City down to Little Rock, I said everybody grab a beer
Let's dance, I'm ready to play cause nothing feels better at the end of the day
The East Coast baby all the way to LA, I said everybody grab a beer

Oh come on now, sing with me
I love cold beer
Ice it down, we're gonna drink it up
I love cold beer
I got a cooler full in the back of my truck
I love cold beer
You can drink it at home or down by the lake
I love cold beer
Oh, what's that they say? Less filling. Tastes great

It's on, pop that top, I like it ice cold, I drop it if it's hot
From New York City down to Little Rock, I said everybody grab a beer
Let's dance, I'm ready to play cause nothing feels better at the end of the day
East Coast baby all the way to LA, I said everybody grab a beer
Everybody grab a beer, everybody grab a beer, come on

Aw, toss me one now; it don't matter what kind
Beer over here, I said everybody grab a beer
Beer over here, everybody grab a beer
Toss a beer over here, everybody grab a beer
Mmm, what's your name? You need a beer? I got one to spare
Aw good thing I made it plural, everybody grab a beer
